End Application:

For irrigation and body fluids during suctioning procedures

Component And Quantity:

Canister, plastic, 2000cc capacity, 1; self-sealing lid, 1; hydrophobic shut-off filter, 1

Product Name:

Canister assembly suction surg plastic 2000cc cap lid hydrop filter 48s

Special Features:

Rigid plastic; red cover

Supplementary Features:

Canister, suction

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T107-a
