Overall Length:

5.375 inches

Blade Width:

15.0 millimeters

Usage Design:

Assists in visualization of operative field during eye surgery

Design Designation:

Desmarres

Tip Type:

Slight curved

Size Designator:

3

Unit Type:

Eye

Grip Type:

Smooth

Design Form:

Curved left

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523b0
