Overall Length:

5.000 inches

Design Designation:

Halsey

Material And Location:

Steel, corrosion resisting

Grip Type:

Smooth

Jaw Type:

Smooth

Product Name:

Holder suture ndle halsey crs 5.0"o/a lg tungsten carb jaws smo

Special Features:

Tungsten carbide in jaw; used in neurosurgery for spinal trauma

Supplementary Features:

Needle holder, smooth jaws

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-d
