Design Designation:

Urinary drainage

Tip Type:

Balloon

Material And Location:

Rubber, latex tube

Special Features:

Short/long term catheter, up to 12 weeks; latex core with hydrophilic coating; 2 way 10cc balloon, 12-30 fr

Style Designator:

Modified retention

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
