Usage Design:

Gyn endoscopic surgery

Design Designation:

Uterine

Unit Type:

Tenaculum

Jaw Length:

8.661 inches

Product Name:

Forceps endoscopic uterine tenaculum laparoscopic crs 8.661"jaw

Special Features:

Forceps for endoscopic surgery

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
