Usage Design:

Use for trauma, mandibular reconstructive surgery

Design Designation:

Orthopedic

Grip Type:

Thumb-forefinger

Jaw Type:

Grasping

Features Provided:

Autoclavable and reusable

Product Name:

Forceps bone reduction ortho grasping sm fine mandible reusable

Special Features:

Small, fine mandible forceps

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
