Overall Length:

3.750 inches

Overall Width:

1.750 inches

End Application:

6515-01-500-9924

Tip Type:

Flat

Material And Location:

Steel, carbon liner and cloth back

Product Name:

Electrode electronic nerve stimulation ploys 1.75"x 3.75" 4s

Special Features:

Aggressive adhesive, long life and conformity. Has 4 mil. Carbon film lining with fabric backing. Pigtail pin is (.080inches). Reusable.

Supplementary Features:

Pigtail pin .080 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-c
