Unit Package Quantity:

1

Design Designation:

Impact instrumentation inc

Tip Type:

Whistle

Diameter:

14.000 french

Catheter Length:

23.000 inches

Material And Location:

Plastic

Features Provided:

Sterile

Product Name:

Suction catheter suction apparatus impact 14 fr 23 in plastic whistle tip ster ea

Special Features:

Required consumable for the impact suction apparatus

Style Designator:

Suction catheter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
