## Casehardening Indicator:

Not casehardened

## Thread Length:

46.0 millimeters

# Material And Location:

Titanium

# **Outside Thread Diameter:**

3.5 millimeters

#### **Product Name:**

Screw 3.5mmti cortex starlock

#### **Special Features:**

Cortex starlock; length 46mm (includes thread and collar)

#### Shelf Life:

N/a

#### Unit Of Measure:

--

## Demilitarization:

No

## Fiig:

T133-m
