Inside Diameter:

0.058 inches

Design Designation:

Right coronary

Lumen Passage Quantity:

1

Tip Type:

Atraumatic

Catheter Length:

100.0 centimeters

Material And Location:

Steel, stainless inner layer

Product Name:

Jography coronary bypass-right catheter

Style Designator:

Sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
