Inside Diameter:

0.058 inches

Design Designation:

Judkins

Tip Type:

Atraumatic

Catheter Length:

100.0 centimeters

Material And Location:

Steel, stainless inner layer

Product Name:

Jography judkins right 5.0 catheter

Special Features:

Length of curve is 5.0 cm

Style Designator:

Sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
