Design Designation:

Tracheal

Product Name:

Hi lo tracheal tube with lanz pressure regulating valve

Special Features:

Size 8.0mm, reduces risk of tracheal damage during long term intubaations, lanz valve automatically maintainsintra cuff pressure approximatel type 30 cm h20 to help reduce risk of trachealdamage, lanz valve reduces need for manual cuff pressure monitoring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
