Product Name:

Electrode stress/holter snap style 600s

Special Features:

4clear tape ecg electrode with conductive adhesive gel; all purpose ecg electrode; square design elimiates buckling; radiotranslucent for use in x-ray; conforms to body contours; mri safe; stress holter, snap style; neoderma clear tape, solid gel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-c
