Overall Length:

48.000 inches

Outside Diameter:

6.0 millimeters

Unit Package Quantity:

1

Design Designation:

Salem

Shaft Eye Quantity:

11

Tip Type:

Round

Core Fabrication Method:

Not woven

Diameter:

18.000 french

Material And Location:

Plastic, polyvinyl chloride

Product Name:

Tube suction surgical 18 fr w/anti reflux valve (1) per package

Special Features:

Clear surgical suction tube with anti reflux valve; flexible

Style Designator:

Sump drain

Supplementary Features:

THIS-NS-NIS-NOTP

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
