Inside Diameter:

3.800 inches

Overall Length:

12.000 inches

Outside Diameter:

0.011 inches

Unit Package Quantity:

5

Design Designation:

Penrose

Material And Location:

Rubber

Features Provided:

Sterile

Product Name:

Tube drainage surgical penrose 12x3/8x0.011" rbbr radiopaque 5s

Special Features:

Radiopaque; peel back container; for drainage of fluids following surgical procedures

Supplementary Features:

THIS-NS-NIS-NOTP

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
