Usage Design:

Femoral

Design Designation:

Fracture

Usage Location:

Either leg

Product Name:

Splint fracture ct-6 femoral

Special Features:

Fracture splint, ct-6 femoral, black matt carbon fiber, corrosion resistant, temperature stable, minimal radar reflectivity. Stronger and lightweight; compact size in transport case, 3 x 10 in.; powerful 4: 1 easy adjusting system with micro adjustment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-j
