Overall Length:

0.750 inches

Overall Height:

1.000 inches

Overall Width:

14.750 inches

Voltage In Volts And Current Type:

230.0 ac

General Description:

Galvanized steel w/bacteria resistant coating; single fan, forced air cooling; maximum storage 96 bags, 32 apheresis bags; compatible w/pc1200i/pc1200h incubators; 7 pullout, 1 stationary drawer; 115/230 vac, 50/60 hz; w/built in motion alarm, adjustable volume

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
