Overall Length:

230.000 centimeters

Handle Type:

Double ring

Action Type:

Alligator

Design Designation:

Endoscopic biopsy

Unit Type:

Alligator

Grip Type:

Finger ring

Jaw Type:

Oval

Special Features:

Reusable biopsy forceps alligator cup w/spike; polytetrafluoroethylene coated; ssteel flushing port; sheath diameter 2.3mm

Material And Location:

Stainless steel blade

Shape:

Cupped

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
