Universal Medical Device Nomenclature System Code:

15016

Product Name:

Suction apparatus surg programmable battery 11-30v or ac prtble

Special Features:

Programmable; battery 11-30 volts or ac operated; for use in hospitals, ambulances, fields and in military aeromedical aircraft; with not external pack; operational from 115/230 volts, ac, 50-400 hz with separate power supply furnished, 12 vdc w/separate cable; portable; w/mounting bracket; with shielding to prevent emi transmissions; to include: fuses, 2ea, midget, 2a, 250 volt, p/n 081-0020-00; straps, hook and loop, 1 in. Wide by 24 in. Long, p/n: 334-0020-00, 2ea; case, padded, aspirator, w/o accessories, p/n: 402-0017-00, 1ea; hoses, 2ft. Long, p/n: 540-0051-00, 1ea; hoses, 18in. Long p/n: 540-0055-00, 2ea; hose, 12in. Long, p/n: 540-0068-00, 1ea; assembly, ac charger rectifier, p/n: 703-0326-06, 1ea; jar, disposable, w/lidm 1200cc, w/impact named, p/n: 410-0004-00, 2ea; catheter, 14fr, p/n: 820-0004-00, 1ea; catheter, 18fr, p/n: 820-0005-00, 1ea; tubing, suction, sterile, 9/32in. Id by 6 ft. Lg, p/n: 820-0018-00, 1ea; includes operation/service manuals

Supplementary Features:

Navy, air force specific

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T107-c
