Catheter Length:

110.0 millimeters

Product Name:

Rf marinr mc

Special Features:

Multi curve; lateral deflection; 4 mm distal tip; thermocouple-equipped tip electrode, 7 fr diameter

Style Designator:

Tip deflecting catheter

Supplementary Features:

Multi-directional, steerable catheter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
