Diameter:

6.000 inches

Size Designation:

Adult

Material And Location:

Plastic, polyethylene foam back panel

Product Name:

Electrode electrocardiograph 6in diameter plastic polyethylene foam back 12prs

Special Features:

Stat-padz adult multi-function electrodes; conductive gel: polymer hydrogel; conductive element: tin; rectangular, back (second) electrode

6.5 x 5in

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-c
