Overall Length:

36.000 inches

Overall Diameter:

24.000 inches

Overall Thickness:

0.125 inches

Design Designation:

Orthopedic

Material And Location:

Plastic

Product Name:

Polyflex ii splinting material

Special Features:

Solid, white, single sheet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-c
