Orthopedic Splinting Material - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-01-548-5054

Overall Length:
36.000 inches
Overall Width:
24.000 inches
Overall Thickness:
0.125 inches
Design Designation:
Orthopedic
Material And Location:
Plastic
Product Name:
Polyflex ii splinting material
Special Features:
Beige single sheet
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

T133-c
