Overall Length:

24.000 inches

Overall Width:

18.000 inches

Overall Thickness:

0.062 inches

Design Designation:

Orthopedic

Material And Location:

Plastic

Product Name:

Aquaplast t splinting material

Special Features:

Single sheet, solid, charcoal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-c
