Overall Length:

3.500 inches

Overall Width:

2.000 inches

End Application:

Used on intellect advanced therapy or mobile unit ultrasound equipment

Special Features:

Durastick ii self adhesive electrode; carbon film; silver conductor; flexible, w/soft lead wire connectors

Precious Material And Location:

Conductor surfaces silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-f
