Overall Length:

6.000 inches

Design Designation:

Ryder

Material And Location:

Steel, corrosion resisting body err-100 err-100

Jaw Type:

Narrow

Product Name:

Holder needle tungsten carbide ryder 6in l narrow ss

Special Features:

Tungsten-carbide ryder needle holder; 6 inch lgth; narrow jaw; ss

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
