End Application:

6515-01-500-6063, bone surgery set

Design Designation:

Synthes

Material And Location:

Steel, corrosion resisting err-100 err-100

Product Name:

Wrench surg f/dhs/dcs lag screws t-handle

Special Features:

T-handle dhs/dcs wrench for lag screws; part of the bone surgery set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
