End Application:

6515-01-500-6063, bone surgery set

Design Designation:

Synthes

Material And Location:

Steel, corrosion resisting err-100 err-100

Product Name:

Guide angle 145 deg. For dhs drills in bone surg

Special Features:

145 deg. Angle; for dhs bone surgery set

Shape:

Angular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-g
