End Application:
6515-01-500-6063, bone surgery set
Design Designation:
Synthes
Material And Location:
Steel, corrosion resisting err-100 err-100
Product Name:
Guide angle 145 deg. For dhs drills in bone surg
Special Features:
145 deg. Angle; for dhs bone surgery set
Shape:
Angular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

T133-g
