Fud Application.
End Application:
6515-01-500-6063, bone suregery set
Design Designation:
Synthes
Material And Location:
Steel, corrosion resisting err-100 err-100
Product Name:
Reamer triple dhs complete
Special Features:
Triple reamer dhs complete
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No

Fiig: T133-e
