**End Application:**

6515-01-500-6063, bone surgery set

**Design Designation:**

Synthes

**Material And Location:**

Steel, corrosion resisting err-100 err-100

**Product Name:**

T-handle w/lg quick coupling insertion f/bone surgery

**Special Features:**

Large, quick coupling insertion tool for dhs/dcs bone surgery

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T133-d
