End Application:

6515-01-500-6063, bone surgery set

Design Designation:

Synthes

Material And Location:

Steel, corrosion resisting err-100 err-100

Product Name:

T-handle w/lg quick coupling insertion f/bone surgery

Special Features:

Large, quick coupling insertion tool for dhs/dcs bone surgery

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
