Overall Length:

11.000 inches

End Application:

6515-01-174-1477, suction and pressure apparatus

Sterility:

Sterile

Disposition After Initial Use:

Reusable

Product Name:

Hose tubing connecting clear pvc 11 in. L

Special Features:

Clear; pvc hose/tubing for surg apparatus

Flexibility:

Flexible

Material:

Plastic, polyvinyl chloride

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T117-a
