

View Online at <https://aerobasegroup.com/nsn/6515-01-579-6111>

Special Features:

Radiofrequency elemetry; multiple hardware and software systems safeguards; ventricular intrinsic preference technology; automatic daily high voltage lead integrity test; vibratory patient notifier; defibrillation response technology; senseability technology; exercise trend diagnostic; morphology discrimination plus AV rate bradycardia; preferential EGM storage w/expanded memory; AF suppression algorithm; current VR RF ICD

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
