**Overall Length:**

6.250 inches

**Overall Height:**

2.375 inches

**Overall Width:**

2.563 inches

**End Application:**

6515-01-585-5945 detector, insulation defect, electrosurgical instrument

**Voltage In Volts And Current Type:**

12.0 dc

**Product Name:**

Battery 12 volt surgical instrument insulation defect detector

**Special Features:**

12 volt battery; for use with mikromed pd8k surgical instrument insulation defect detector

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
