Overall Length:

6.250 inches

Overall Height:

2.375 inches

Overall Width:

2.563 inches

End Application:

6515-01-585-5945 detector, insulation defect, electrosurgical instrument

Voltage In Volts And Current Type:

12.0 dc

Product Name:

Battery 12 volt surgical instrument insulation defect detector

Special Features:

12 volt battery; for use with mikromed pd8k surgical instrument insulation defect detector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
