#### **Overall Length:**

27.000 inches

## **Overall Height:**

20.800 inches

#### **Overall Width:**

17.400 inches

## Product Name:

Water to water heat exchanger

#### **Special Features:**

Cooling capaci type 70kw, standard temp +5-35 degrees c, reservoir volume 4.7 liter

# Shelf Life:

N/a

---

## Unit Of Measure:

#### Demilitarization:

Yes - demil/mli
