Product Name:

Binocular indirect ophthalmoscope

Special Features:

Vidio-aligned optical system. Will-padded leather headband and swooped design. Illumination and visual pathways can be converged for excellent visualization and true small-pupil capability. Adjusts to handle interpupillary distances of 49mm to 74 mm. Halogen light source . Vital optics and mirror assemblies are sealed against dirt and dust. Diffuser filter broadens the illumination beam. Choose portable power source or versatile wall/desk power source.
