End Application:

6515-01-528-1968 ultrasound, blood flow detection

Input Voltage Rating:

120.0 ac volts single operating power rqmt

Input Frequency Rating:

60.0 hertz single operating power rqmt

Special Features:

Power supply; 120 v 60hz; for ultrasound blood flow detector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
