Unit Package Quantity:

10

Design Designation:

Arterial and venous prosthesis

Diameter:

8.0 centimeters

Needle Diameter:

4.0 centimeters

Product Name:

Seldinger arterial catheter, paediatrics

Special Features:

Integrated extension tubing w/ low profile suture wing

Style Designator:

Arterial irrigation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
