Product Name:

Olow pressure drop mass flow meter

Special Features:

Whisper low flow rate series, battery operated, 50sccm = 50 standard cubic centimetres of gas per minute, monochrome liquid crystal display, 0-5v output of mass flow n2=default gas set to mitrogen, totalizer counts the standard cubic centimetres of gas

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-c
