Overall Length:

8.50 inches

Design Designation:

Obwegeser

Design Form:

Curved

Product Name:

Obwegeser type surgical retractor concave, curved down

Special Features:

The curved down distal end provides improved access, the concave blade minimizes soft tissue injury; obwegeser type surgical retractor concave, curved down, 12mm x 55 mm, 8.5 inches (21 cm) long; stainless steel

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523b0
