Environmental Protection:

Fire resistant

Garment Size:

5-1/2

Usage Design:

General surgery

Features Provided:

Nonpowdered and sterile

Product Name:

Gloves, surgeons'

Special Features:

Gloves, surgeons', synthetic polychloroprene, biogel hydrogel polymer coating, micro-roughened surface, beaded cuff, ambidextrous, powder-free, latex-free, non-pyrogenic, sterile, color blue, size 5.5, each pair is individually packaged, store in a cool, dry place away from sources of heat or direct sunlight

Color:

Blue outside

Length:

283.00 millimeters

Material:

Rubber chloroprene inside

Thickness:

0.21 millimeters

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A41000
