Overall Length:

3.625 inches

Overall Height:

9.782 inches

Overall Width:

2.375 inches

Current Type:

Ac

Lampholder Quantity:

1

Portability:

Portable

Mirrordiameter:

5.000 inches

Product Name:

Mirror light dental 115 volt 60 hz ac

Voltage In Volts:

115.0

Special Features:

Magnifying mirror light suitable for training patients in self-examination of dental hygienic practices; tabletop model which has a slot for wall mounting; optical quality distortion free glass; 5 inch diameter mirror; replacement bulb is a 55 bulb; 120v/60hz line operation

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-f
