Handle Type:

Integral

Design Type:

Lower and upper

Unit Type:

Lower and upper

Usage Location:

Anterior

Unit Quantity Per Set:

6

Impression Type:

Partial

Commercial Size Designator And Quantity:

A-20, a-21, a-22, one each, a-1, a-4, a-7, one each

Orthodontic Work Usage Feature:

Not provided

Hydrocolloids Design Feature:

Not provided

Rim Locking Feature:

Provided

Water-cooled Feature:

Not provided

Wall Bracket:

Not provided

Special Features:

Perforated

Material:

Copper alloy

Quantity:

3 and 3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T107-h
