Overall Length:

6.250 inches

Handle Type:

Hollow

Blade Length:

2.125 inches

Design Designation:

Molt

Size Designator:

Commercial size: 1

Shank Type:

Rigid

Design Form:

Straight

Product Name:

Curette alveolar molt cres blade sz 1 6.25-6.75"

Surface Treatment And Location:

Chromium handle and nickel handle

Blade Shape:

Oval

Special Features:

Handle is fabricated of brass or cres and is chromium or nickle plated if brass

Material And Location:

Stainless steel blade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A520p0
