Overall Length:

7.750 inches

Blade Width:

0.375 inches

Blade Thickness:

0.039 inches

Design Designation:

Seldin

Material And Location:

Steel, corrosion resisting

Pattern/style Identification:

23

Product Name:

Elevator and retractor dental seldin 23 crs 7.75in o/a lg

Special Features:

0.141 in. Nom blade thk 2nd end - 0.500 in. Nom blade width 2nd end

Specification Or Standard:

Iv type and c style

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
