Unit Package Quantity:

12

Physical Form:

Paste

Unit Package Type:

Carton

Setting Time:

Between 8 minutes and 10 minutes

Workable Consistency Temperature Rating:

Between 109.0 degrees fahrenheit and 122.0 degrees fahrenheit

Hydrocolloid Base Type:

Agar

Product Name:

Impression matl den paste hydrocolloid agar base reg bodied 12s

Exterior Container Weight:

54.00 pounds

Exterior Container Cubic Measure:

3.20 cubic feet

Exterior Container Quantity:

24

Special Features:

Regular bodied; tray material

Intermediate Package Quantity:

1

Unit Of Issue Cube:

0.067 cubic feet

Unit Of Issue Weight:

2.08 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T243-d
