Overall Length:

6.000 inches

Blade Shape:

Disk

Design Designation:

Black

Material And Location:

Steel, corrosion resisting blade and steel, corrosion resisting handle

Design Form:

Single-ended

Blade Diameter:

2.000 millimeters

Pattern/style Identification:

89

Product Name:

Excavator dental black 89

Special Features:

Thin blade design

Specification Or Standard:

1 type and a style and 5 shape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
