Overall Length:

6.750 inches

Blade Width:

Between 1.500 millimeters and 1.600 millimeters

Blade Shape:

Round

Design Designation:

Darby-perry

Material And Location:

Steel, corrosion resisting handle err-100 err-100

Design Form:

Double-ended

Pattern/style Identification:

21-22

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
